---

## PHILANTHROPIC ENDEAVORS

Through his work at Kinetic Health, Dr. Mylonas has been involved with donating a portion of all funds raised by the clinic towards the following philanthropic endeavours:

- **Plan International** – Plan International is a global movement for change, mobilizing millions of people around the world to support social justice for children in developing countries.
- **Because I am a girl** – Part of Plan International, Because I am a Girl, is a global initiative working to end gender inequality and to promote girl's rights.
- **Kiva Micro Loans to Women** – We are presently involved in supporting communities in approximately 20 different countries with a current focus on providing support for women in conflict zones.
- **World Wildlife Fund** – WWF helps to reduce humanity's impact on our global environment by working against deforestation and global warming while promoting sustainable food systems, water conservation, maintaining the integrity of ocean ecosystems and the conservation of species.

---

## HOBBIES & PASSIONS

Dr. Mylonas has a broad and diverse range of hobbies and passions.

- **Continuous learning** – Whether the subject is anatomy, therapeutic techniques, cultural studies or history, Dr. Mylonas is driven by a constant underlying curiosity to learn, evolve and refine his understanding of new concepts and information.
- **Travel** – There are so many things to see, experience and explore in this incredible world. Dr. Mylonas truly believes that travel is an education – it broadens your horizons, expands your understanding of the world, and enriches your life.

- Languages – Even though Dr. Mylonas can speak three languages (English, Greek, and Dutch), he is continually working on acquiring new linguistic skills.
- Celebrating life with friends and family – sharing in good food, conversation, music, new ideas, cultures and all the diversity that this world has to offer.
- Fitness, martial arts, and spending time outdoors.
